

EU DECLARATION OF CONFORMITY

Identification of the packaging

Packaging Identification:	Carton box
Type of packaging:	Grouped packaging
Type of use:	Single-use
Description of packaging:	Folding paperboard box (non-corrugated) of a single product, or combining multiple products into a single retail unit
Intended use:	Presentation, containment and shelf display of a single product, or grouped products for sale to the end user

Manufacturer

Name:	BASTOS VIEGAS, S.A.
Address:	Avenida da Fábrica 298, 4560-164 Guilhufe, Portugal

Scope, responsibility and applicable legislation

Object of the declaration:	This declaration applies to a family of packaging units sharing identical material, design and manufacturing process, varying only in size to accommodate different quantities of grouped units. Such variation does not affect compliance with the Regulation (EU) 2025/40.
Statement of responsibility:	The manufacturer declares, under its sole responsibility, that the packaging identified in this declaration complies with the applicable requirements of Regulation (EU) 2025/40 on packaging and packaging waste.
Applicable legislation:	The packaging complies with the applicable requirements set out in: Regulation (EU) 2025/40, of 19 December 2024, on packaging and packaging waste.

Requirements of Regulation (EU) 2025/40

Article	Requirement	Compliant	Article	Requirement	Compliant
5	Requirements for substances in packaging	Yes	6	Recyclable packaging	Yes
7	Minimum recycled content in plastic packaging	N/A	8	Biobased feedstock in plastic packaging	N/A

11	Reusable packaging	N/A	12	Labelling of packaging	In progress ²

¹ Transitional period until 1 January 2030;

² Pending implementing act;

Conformity assessment procedure

Conformity was demonstrated in accordance with the procedure set out in Annex VII. The supporting technical documentation covers, in particular: a general description of the packaging; drawings, specifications and material composition; recyclability assessment; recycled plastic content (where applicable); and compliance with the substance restrictions.
