Dimensions:	folded: 175 x 120 cm, non-folded: 175 x 235 cm
Primary package:	Tubular bag made of polyester/polyethylene with a color sheet located between. Peel label coated with acrylic adhesive

MoliCare Skin Wash Gloves

Spec.-No.: **D 9.0155**

Department: CMO-ID

Date: 05 Dec 2016

5. Classification/Safety Aspects

The impregnation liquid of MoliCare Skin Wash Gloves is in compliance with the latest amendments of the European Directive on Cosmetics (EEC Council Directive 76 / 768 with Technical Adaptations and Amendments).

It contains only ingredients which are permitted respectively which are not prohibited for cosmetic use according to the EEC Directive on Cosmetics.

The skin tolerance of the product was tested in a Dermatological Repeated Insult Patch Test on the skin of test persons. The sample demonstrated no clinically significant potential for eliciting either dermal irritation or sensitization.

6. Labelling

Expiring date:

Exp. (example 12/2018)

Lot-No. :

- 1st 2nd digit: first two digits of the manufacturing year (16=2016, 17= 2017 etc)
- 3rd to 5th digit: manufacturing day of the year (002 = 2nd of January)
- 6th to 7th digits: manufacturing line (04)
- 8th to 11th digits: manufacturing time

e.g.:

17
Year = 2017

002
day of manufacturing
2nd of January

04
Production line

16:45
Manufacturing
time 4:45 p.m

7. Packaging

24 bags with 8 wash gloves in a transport carton, sealed with adhesive tapes.
