## MoliCare Skin Fluid Massage gel

Spec.-No.: **D 9.0156**

Department: CMO-ID

Date: 05 Dec 2016

The product contains only ingredients which are permitted respectively which are not prohibited for cosmetic use according to the EEC Directive on Cosmetics.

The skin tolerance was dermatologically tested on a clientele with persons with atopic skin with the result "Well compatible with all test persons. In no case there were any undesirable reactions."

Combined with other products of the MoliCare Skin series the Fluid Massage Gel was tested in a nursing home on persons with very dry old skin under supervision of a medical specialist. The combined application of the products resulted in an improvement of the skin condition. Furthermore the very good skin tolerance could be attested. Referring to the Fluid Massage Gel a stimulating, vitalising effect was assessed.

6. Labelling

Lot-No. :
