1. General Product Description

MoliCare® Premium Lady Pad is an anatomically shaped pad, with Dry Plus distribution layer, thin absorbent pad with Superabsorber polymer, complete nonwoven covering, breathable textile backsheet and soft elastics in the crotch area (exception: 1 and 1,5 Drops).

MoliCare® Premium Lady Pads provide optimum security by highest absorption and storing capacity and guarantee protection against re-wetting. They can be inserted securely and discretely in the underwear by an adhesive strip. Size MoliCare® Premium 1 to 2 Drops are available single packed and with absorbent core stamping.

Classification: non sterile medical devices class I, acc. EEC-Directive

2. Application / Indication

MoliCare Premium Lady Pads are absorbent liners for incontinence care for adults. The products are suitable for usage in case of bladder weakness with several severities. Products of the absorption level 4 Drops and higher are suited for usage in case of urinary and fecal incontinence as well.
